The varieties quoted in this price list are fully described in our latest illustrated catalogue of "Worth While Peonies, Iris and Gladiolus," which is not issued annually, but from time-to-time as we deem it necessary. We do, however, issue a revised price list with additions of new varieties each year, this being our 1929 Gladiolus list. If you have not received a copy of our descriptive book, a postal card will bring it to you at once.

Orders—It is to your advantage to forward your order early. We list, pack and ship in sequence of receipt dates. Stock is selected with special care both as to size and identity, taking special precaution to send merchandise that is sure to please.

Immediately upon arrival of your order an acknowledgment will be forwarded. In the event this should not reach you within a reasonable time, you should communicate with us at once.

Less than 10 bulbs will be sold at same rate, no item less than 25c. 1000 bulbs one variety sold at 8 times 100 price.

All orders will be taken subject to stock.

We will not substitute unless asked to do so.
